TURNPIKE OVER THE BLUE RIDGE

To Be Completed by the Authorities of the State Penitentiary.

BULLETS SCATTERED AROUND

Impossible to Tell Who, Fired the Shot That Killed

(Special to The Times-Dispatch.)
RALEIGH, N. C. "October 23.—The
contientiary authorities have been authorized by the Council of State to complete the Wilkesboro and Jefferson Turnpike to the top of the Blue Ridge, about nine miles from Jefferson. State Treasurer and B. C. Beckwith, the latter of member of the State Board of Internal Improvements, are now going over this turn-pike on a tour of inspection and Mr Beck-with will upon his return make a full re-port to the Governor. The latter feels great interest in the completion of this

tured in the station.

One of the bullets was found to-day in the laddes' waiting-room. Five bullets have been located. An official said to-day that he was very doubtly whether these men could be convicted of a greater crime than carrying concealed weapons, because it would be hard to prove which one fired the fatal shot, and the pistois are of the same calibre. It is remarkable that a dozen persons were not hurt. Feeling was very high against the two men. The body of Smith, who like the others was a gambler, was taken to the home of his mother at Petereburg.

A charter is granted the North Caroline Connecting Railway, which will construct a road between Spring Hope, a present terminus of the Atlantic Coast Line and Roxboro. The capital stock is \$450.000. The stockholders are D. J. Tise water and D. P. Douglas, of Toledo. Ohio. D. W. Gunn. of Louislana, and Will Hood of Henderson.
